**Patient Information** The practice is registered with the Data Protection Agency and is bound by the rules governing the collection and storage of personal data. Your personal data will only be seen by professionals at the practice involved in providing your care. Occasionally anonymised health information will be sent to the NHS England/Camden CCG to support quality monitoring, public health analysis and post-payment verification.

**CIDR** Camden Integrated Digital Record is an electronic record linking health and social care information from Camden General Practices and local hospitals, and Camden Mental health and social services. You may opt out by request. See [cidrportal.camdenccg.nhs.uk](http://cidrportal.camdenccg.nhs.uk)

**Summary Care Record** This is an electronic copy of key information from your GP record. It provides authorised care professionals with faster, secure access to essential information about you when you need care. You may opt out by request. See [systems.hscic.gov.uk/scr/patients](http://systems.hscic.gov.uk/scr/patients) for more details or ask one of our reception staff.

**Care.data** is a programme where information on GP records will be shared with the Health and Social Care Information Centre (HSCIC). This is to help the NHS plan and improve patient care for the whole country. GP surgeries by law have to allow this transfer of information (data). However, you can choose to opt out. See [patient.info/health/caredata-sharing-your-information](http://patient.info/health/caredata-sharing-your-information) for more details or ask one of our reception staff.

**Data Protection Act** 1998 you have the right of access to your health records. If you would like to apply for access to your records please write to the Practice Manager.

**Rights & Responsibilities** We aim to provide a professional, safe, confidential and courteous service to all our patients. To help us to achieve this please use our services appropriately by keeping your appointment or call to cancel, arrive on time for all booked appointments, treat the team and the premises with the respect you expect yourself.

**Accessible Information Standard** Patients who have a disability, impairment or sensory loss will be provided with information they can easily read or understand with support so they can communicate effectively with health and social care services. Ask reception for more information.
